"The Original" Cinnamon

With its double layer of sugar and hand-grounded cinnamon, filling & streusel topping, this is simply the finest coffee and tea cake in the world!

The Grandpa and Granny Smith Apple

The state of Washington is famous for the ultimate American pie fruit. Grandpa's devised a new recipe incorporated with one of yesteryear. Truly a classic dessert. Try it a la modé for an out-of-this-world taste.

The Banana Chocolate Chip

You'll want to jump out of your seat and cha, cha, cha with the amazing taste of real Chiquita bananas and non-dairy chocolate chips.

The Chocolate Chip Europa

Made with hand-ground cinnamon dusting the top & with a white and chocolate base with semi-sweet chocolate chips throughout.

The Wild Blueberry

Laden with fresh blueberries from Michigan and Maine, this coffee cake is delicious when topped with whipped cream.

The Outrageous Raspberry

An outrageous treat! Lustrous California raspberries mingle with the batter, making this a berry delight with a zing.

The Double Chocolate Chip

Topping Ideas

Toppings can enhance the rich flavor of Grandpa's Coffee and Tea Cakes. Try topping your coffee cake with whipped cream (fantastic with our raspberry, blueberry, or cranberry coffee and tea cakes), a scoop of ice cream (incredible with our apple flavor), Sherbert (amazing with cinnamon) or fresh fruit. It's a blast of flavor your mouth won't forget.
